## Alice Springs, Northern Territory, Australia

The desert at dawn with its soft colours and the MacDonnell Ranges in the background provides a memorable start to the day. Red kangaroos are seen on most flights as your balloon floats serenely across the remote open spaces of the Australian Outback.

## Breakfast Under the Trees

After the flight you will be served a sumptuous fresh cooked breakfast accompanied by sparkling wine tropical fruit juice cocktails. Vegetarian and other dietary requirements should be notified at the time of booking.

## Flight Certificate and Souvenir Photographs

You will receive a complimentary commemorative flight certificate. Personalised photos taken during the morning may be purchased at breakfast (subject to loadings).

## Transfers

Transfers to and from your accommodation and other tours are included with every flight.

## What to Wear

It can be dusty in the bush and your participation in rigging the balloon is welcomed, so suitable outdoor clothing and enclosed shoes are recommended. You will be no colder in the air than on the ground. Temperatures rise quickly after sunrise, so bring a hat.

## Tour Duration

You will be with us for 4 to 5 hours commencing from approximately 1 hour before sunrise.
